

## Follow-up M/487 'Security standards'

Alina IATAN

EC Comunity of Users Meeting, 05 May 2015 1

# European standardization system

## The ESOs (CEN, CENELEC and ETSI)

- Regulation 1025/2012
- WTO/TBT principles (transparency, openness, public enquiry,...)

## ...about CEN

- Unique implementation commitment of its 33 Members (EU, ETFA, FYROM and Turkey)
- Offers the platform to all sector relevant stakeholders to come together and develop reference documents

# European Standard

## What it is?

Reference document that contains technical specifications or other precise criteria designed to be used consistently as a rule, guideline, etc..

## How do we develop standards?

...by subject, in Technical Committees by bringing together interested parties to share:

- What they need/ What they have/ What they want to include in standards

## The 'harmonized effect'

- ✓ Strong national commitment of implementation as 33 identical national standards
- ✓ All conflicting standards from members are withdrawn
- ✓ Voluntary in application for any interested stakeholders
- ✓ Consensus-based

# CEN/TC 391 *Societal and citizen security*

## Work plan

- ✓ Guidance for the security of CBRN-E substances for healthcare facilities along their lifecycle

### Scope of WG 1 'Healthcare facilities'

- ✓ Glossary of terms and definitions used in the CBRN-E context
